or dismissal or upon expiration of his or her term of directorship (unless immediately renewed upon expiration), or by termination of his or her employment or directorship on any one or more of the grounds that he or she has been guilty of persistent or serious misconduct, or has become bankrupt or has become insolvent or has made any arrangement or composition with his or her creditors generally, or has been convicted of any criminal offence (other than an offence which in the opinion of the Directors does not bring the Grantee or the Group into disrepute) or any other ground(s) on which the Group would be entitled to terminate the Grantee's employment or directorship pursuant to any applicable law before exercising the Option in full, his or her Option (to the extent vested but not already exercised) shall lapse on the date of cessation or termination and not be exercisable and any Option exercised (if any) but the Shares of which have not been allotted, shall be deemed not to have been so exercised and the amount of the Subscription Price for the Shares in respect of the purported exercise of such Option shall be returned. For the avoidance of doubt, all unvested Options shall be forfeited and lapsed on the date of cessation of employment or directorship;

- (d) in the event of the Grantee who is a Service Provider ceases to be an Eligible Participant by reason of breach of contract entered into between such Service Provider and the Group, or the termination of his/her/its engagement or appointment, in the absolute determination of the Board or the Board in its sole and absolute opinion believes such Grantee has become a competitor of the Group, or the Grantee has become bankrupt or has become insolvent or has made any arrangement or composition with his/her/its creditors generally, has committed any serious misconduct, or has been convicted of any criminal offence (other than an offence which in the opinion of the Directors does not bring the Grantee or the Group into disrepute), the Option (to the extent vested but not already exercised) shall lapse on the date of the Board's determination and not be exercisable and any Option exercised (if any) but the Shares of which have not been allotted, shall be deemed not to have been so exercised and the amount of the Subscription Price for the Shares in respect of the purported exercise of such Option shall be returned. For the avoidance of doubt, all unvested Options shall be forfeited and lapsed on the date of the Board's determination;
- (e) if a general or partial offer, whether by way of take-over offer, share repurchase offer, or scheme of arrangement or otherwise in like manner is made to all the Shareholders, or all such holders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert (as defined in the Takeovers Code) with the offeror, the Company shall use all its reasonable endeavours to procure that such offer is extended to all the Grantees on the same terms, *mutatis mutandis*, and assuming that they will become, by the exercise in full of the Options granted to them, Shareholders. If such offer becomes or is declared unconditional or such scheme of arrangement is formally proposed to the Shareholders, provided that the Unconditional Date (as defined below) is no less than twelve (12) months from the date of grant of the relevant Options, all unvested Options

will be vested on the date (the “**Unconditional Date**”) on which such offer becomes or is declared unconditional and the Grantee shall, notwithstanding any other terms on which his Options were granted, be entitled to exercise the Option (to the extent not already exercised) to its full extent or to the extent specified in the Grantee’s notice to the Company in accordance with the provisions of sub-paragraph 6.3 at any time within one (1) month after the Unconditional Date, or within one (1) month after the record date for entitlements under the scheme of arrangement, as the case may be;

- (f) in the event a notice is given by the Company to its Shareholders to convene an extraordinary general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily wind-up the Company (the “**Notice**”), provided that the date of the Notice is no less than twelve (12) months from the date of grant of the relevant Options, all unvested Options will immediately and automatically be vested and the Company shall on the same date as it despatches such notice to each Shareholder give notice thereof to all Grantees (containing an extract of the provisions of this sub-paragraph) and thereupon, each Grantee or his Personal Representative(s) shall be entitled to exercise all or any of his Options (to the extent not already exercised) by giving notice in writing to the Company in accordance with the terms of this Scheme (such notice shall be received by the Company no later than two (2) Business Days prior to the proposed extraordinary general meeting), accompanied by a remittance for the full amount of the aggregate Subscription Price for the Shares in respect of which the notice is given whereupon the Company shall as soon as possible and, in any event, no later than the Business Day immediately prior to the date of the proposed extraordinary general meeting referred to above, allot and issue the relevant Shares to the Grantee credited as fully paid; and
- (g) in the event of a compromise or arrangement between the Company and the Shareholders or its creditors being proposed for the purpose of or in connection with a scheme for the reconstruction or amalgamation of the Company, the Company shall give notice thereof to all Grantees on the same date as it gives notice of the meeting to the Shareholders or its creditors to summon a meeting to consider such a scheme or arrangement (the “**Meeting Notice**”), and thereupon, provided that the date of the Meeting Notice is no less than twelve (12) months from the date of grant of the relevant Options, all unvested Options will be vested and the Options (to the extent not already exercised) shall become exercisable in whole or in part, either to its full extent or to the extent specified in the Grantee’s notice as set out below, on such date until the earlier of (i) two (2) months after that date or (ii) at any time not later than two (2) Business Days prior to the date of the meeting directed to be convened by the court for the purposes of considering such a scheme or arrangement (the “**Suspension Date**”). Any Grantee or his Personal Representative(s) may by notice in writing to the Company in accordance with the terms of this Scheme, accompanied by a remittance of the full amount of the aggregate Subscription Price for the Shares in respect of which the notice is given whereupon the Company shall as soon as possible and in any event no later than 3:00 p.m. on the Business Day

immediately prior to the date of the proposed meeting, allot and issue such number of Shares to the Grantee or his or her Personal Representative(s) which falls to be issued on such exercise of the Option credited as fully paid and register the Grantee as holder thereof. With effect from the Suspension Date, the rights of all Grantees to exercise their respective Options shall forthwith be suspended. Upon such compromise or arrangement becoming effective, all Options shall, to the extent that they have not been exercised, lapse and be terminated.

Sub-paragraphs 6.6(a), 6.6(b) and 6.6(c) do not apply to a Grantee who is not an Employee Participant.

Where any event under sub-paragraphs 6.6(a), 6.6(e), 6.6(f) and 6.6(g) applies, no such Shares shall be allotted and issued or no Treasury Shares (if any) shall be transferred to a Grantee who is not an Employee Participant in respect of any Options granted within twelve (12) months.

- 6.7 No dividends shall be payable in relation to Shares that are the subject of Options that have not been exercised. Shares to be allotted and issued or Treasury Shares (if any) to be transferred upon the exercise of an Option will be subject to all the provisions of the Articles for the time being in force and will rank *pari passu* in all respects (including voting, dividend, transfer and other rights, including those arising on a liquidation of the Company) with the existing fully paid Shares in issue (excluding Treasury Shares) on the date on which the Option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the re-opening of the register of members (the “**Exercise Date**”) and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the Exercise Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Exercise Date. The Options do not carry any right to vote in general meeting of the Company, or the right to dividend and other rights, including those arising on a liquidation of the Company until such Options have been exercised. A Share allotted upon the exercise of an Option shall not carry voting rights until the name of the Grantee has been duly entered onto the register of members of the Company as the holder thereof.

7. EARLY TERMINATION OF OPTION PERIOD

- 7.1 The Option Period in respect of any Option shall automatically terminate and that Option (to the extent not already exercised) shall automatically lapse on the earliest of:
- (a) subject to sub-paragraph 6.6, the expiry of the Option Period;
 - (b) the date on which the Grantee commits a breach of sub-paragraph 6.1;
 - (c) the expiry of any of the periods referred to in sub-paragraph 6.6; and
 - (d) the date of the commencement of the winding-up of the Company.

- 7.2 A resolution of the Directors to the effect that the employment or directorship of a Grantee has or has not been terminated on one or more of the grounds specified in sub-paragraph 6.6(c)(ii) shall be conclusive and binding on the Grantee.

8. MAXIMUM NUMBER OF SHARES AVAILABLE FOR SUBSCRIPTION

8.1 Subject to the GEM Listing Rules,

- (a) the total number of Shares which may be issued (including any Treasury Shares which may be transferred, as applicable) in respect of all Options which may be granted at any time under this Scheme together with options and awards which may be granted under any other share schemes for the time being of the Company shall not exceed such number of Shares as equivalent to 10% of the issued share capital of the Company (excluding Treasury Shares) as at the Adoption Date (the “**Scheme Mandate Limit**”). As at the Adoption Date, the total number of Shares issuable under the Scheme Mandate Limit is [56,364,988] Shares, representing approximately 10% of the issued share capital of the Company (excluding Treasury Shares) as at the Adoption Date. Options lapsed in accordance with the terms of this Scheme will not be regarded as utilised for the purpose of calculating the Scheme Mandate Limit and the Service Provider Sublimit (as defined below).
- (b) subject to the foregoing sub-paragraph 8.1(a), within the Scheme Mandate Limit, the total number of Shares which may be issued (including any Treasury Shares which may be transferred, as applicable) in respect of all Options which may be granted at any time under this Scheme together with options and awards which may be granted under any other share schemes for the time being of the Company to Service Providers shall not exceed such number of Shares as equivalent to 3% of the issued share capital of the Company (excluding Treasury Shares) as at the Adoption Date (the “**Service Provider Sublimit**”). As at the Adoption Date, the total number of Shares issuable under the Service Provider Sublimit is [16,900,949] Shares, representing approximately 3% of the issued share capital of the Company (excluding Treasury Shares) as at the Adoption Date.
- (c) the Company may seek approval of the Shareholders in general meeting to refresh the Scheme Mandate Limit and/or the Service Provider Sublimit under this Scheme after three (3) years from the Adoption Date (or the date of Shareholders’ approval for the last refreshment). However, the total number of Shares which may be issued (including any Treasury Shares which may be transferred, as applicable) upon exercise of all options and awards to be granted under this Scheme and any other schemes of the Company under the limit as “refreshed” must not exceed 10% of the total number of Shares in issue (excluding Treasury Shares) as at the date of approval of the refreshed Scheme Mandate Limit and/or the Service Provider Sublimit. For the purposes of seeking approval of the Shareholders under this sub-paragraph 8.1(c), the Company must send a circular to its Shareholders containing the information required under the GEM Listing Rules. Any refreshment of the

Scheme Mandate Limit and/or the Service Provider Sublimit to be made within three (3) years from the Adoption Date (or the date of Shareholders' approval for the last refreshment) shall be subject to independent Shareholders' approval pursuant to Rule 23.03C(1) of the GEM Listing Rules and any controlling Shareholders and their associates (or if there is no controlling Shareholder, Directors (excluding independent non-executive Directors) and the chief executive of the Company and their respective associates) must abstain from voting in favour of the relevant resolution at the general meeting.

- (d) the Company may seek separate approval of the Shareholders in general meeting for granting Options beyond the Scheme Mandate Limit provided that the Options in excess of the Scheme Mandate Limit are granted only to Eligible Participants specifically identified by the Company before such approval is sought. For the purpose of seeking approval of Shareholders under this sub-paragraph 8.1(d), the Company must send a circular to the Shareholders containing a generic description of the specified Eligible Participants who may be granted such Options, the number and terms of the Options to be granted, the purpose of granting Options to the specified Eligible Participants with an explanation as to how the terms of the Options serve such purpose, and such other information as required under the GEM Listing Rules. The number and terms (including the Subscription Price) of Options to be granted to such Eligible Participant must be fixed before Shareholders' approval and the date of Board meeting for proposing such grant should be taken as the date of grant for the purpose of calculating the Subscription Price.

8.2 Where any grant of Options to an Eligible Participant would result in the Shares issued and to be issued (including any Treasury Shares which may be transferred, as applicable) in respect of all options and awards granted to such Eligible Participant (excluding any options and awards lapsed in accordance with the terms of the relevant schemes) in the twelve (12)-month period up to and including the date of such grant representing in aggregate over 1% of the Shares in issue (excluding Treasury Shares), such grant must be separately approved by the Shareholders in general meeting with such Eligible Participant and his/her close associates (or associates if the Eligible Participant is a connected person) abstaining from voting. The Company must send a circular to the Shareholders and the circular must disclose the identity of the Eligible Participant, the number and terms of the Options to be granted (and options and awards previously granted to such Eligible Participant in such twelve (12)-month period), the purpose of granting Options to the Eligible Participant, an explanation as to how the terms of the Options serve such purpose and such information as may be required by the Stock Exchange from time to time. The number and terms (including the Subscription Price) of Options to be granted to such Eligible Participant must be fixed before Shareholders' approval and the date of Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the Subscription Price.

8.3 Any grant of Options to any of the Directors, chief executive of the Company or substantial Shareholder (as defined in the GEM Listing Rules), or any of their

respective associates must be approved by the independent non-executive Directors (excluding any independent non-executive Director who and whose associate is the proposed Grantee of the Option (if any)).

- 8.4 Where any grant of Options to an independent non-executive Director or a substantial Shareholder or any of their respective associates would result in the Shares issued and to be issued (including any Treasury Shares which may be transferred, as applicable) in respect of all options and awards granted and to be granted (excluding any options and awards lapsed in accordance with the terms of the relevant schemes) to such person in the twelve (12)-month period up to and including the date of such grant representing in aggregate over 0.1% of the total issued Shares (excluding Treasury Shares), such further grant of Options must be approved by the Shareholders in general meeting of the Company in the manner set out below. The Company must send a circular to the Shareholders. The Grantee, his/her associates and all core connected persons of the Company must abstain from voting in favour of the proposed grant at such general meeting. Parties that are required to abstain from voting in favour at the general meeting pursuant to Rule 23.04(1) of the GEM Listing Rules may vote against the resolution at the general meeting of the Company, provided that their intention to do so has been stated in the relevant circular to the Shareholders. Any vote taken at the general meeting to approve the grant of such Options must be taken on a poll and comply with the requirements under the GEM Listing Rules. The circular must contain:

- (1) details of the number and terms of the Options to be granted to each Eligible Participant, which must be fixed before the Shareholders' meeting. In respect of any Options to be granted, the date of the Board meeting for proposing such further grant should be taken as the Offer Date for the purpose of calculating the Subscription Price;
- (2) the views of the independent non-executive Directors (excluding any independent non-executive Director who and whose associate is the proposed Grantee) as to whether the terms of the grant are fair and reasonable and whether such grant is in the interests of the Company and the Shareholders as a whole, and their recommendation to the independent Shareholders as to voting; and
- (3) the information as may be required by the Stock Exchange from time to time.

- 8.5 Shareholders' approval as required under sub-paragraph 8.4 is also required for any change in the terms of Options granted to an Eligible Participant who is who is a Director, chief executive of the Company or substantial Shareholder (as defined in the GEM Listing Rules) or any of their respective associates if the initial grant of the Options requires such approval (except where the changes take effect automatically under the existing terms of the New Share Option Scheme).

9. REORGANISATION OF CAPITAL STRUCTURE

- 9.1 In the event of any alteration in the capital structure of the Company whilst any

Option remains exercisable or this Scheme remains in effect, and such event arises from a capitalisation issue, rights issue, consolidation, sub-division or reduction of the share capital of the Company (other than an issue of Shares as consideration in respect of a transaction while any Option remains exercisable), then, in any such case (other than in the case of capitalisation issue) the Company shall instruct the Auditors or independent financial adviser to certify in writing:

(a) the adjustment, if any, that ought in their opinion fairly and reasonably to be made either generally or as regards any particular Grantee, to:

(i) the number or nominal amount of Shares to which this Scheme or any Option(s) relates (insofar as it is/they are unexercised); and/or

(ii) the Subscription Prices of any unexercised Options,

and an adjustment as so certified by the Auditors or the independent financial adviser shall be made, provided that:

(1) any such adjustment shall be made on the basis that the aggregate Subscription Price payable by a Grantee on the full exercise of any Option shall remain as nearly as possible the same (but shall not be greater than) as it was before such event;

(2) no such adjustment shall be made the effect of which would be to enable a Share to be issued at less than its nominal value;

(3) any such adjustment shall be made on the basis that a Grantee shall be given the same proportion of the issued share capital of the Company for which such Grantee would have been entitled to subscribe had he exercised all the Options held by him immediately prior to such event (as interpreted in accordance with the supplementary guidance issued by the Stock Exchange on 5 September 2005);

(4) the issue of securities of the Company for cash (save and except for rights issue) or as consideration in a transaction shall not be regarded as a circumstance requiring any such adjustment; and

(b) in respect of any such adjustments, the Auditors or the independent financial adviser must confirm to the Directors in writing that the adjustments satisfy the requirements set out in the above, the requirements of Rule 23.03(13) of the GEM Listing Rules, the supplementary guidance issued by the Stock Exchange on 5 September 2005, any relevant provisions of the GEM Listing Rules and any guidance/interpretation of the GEM Listing Rules issued by the Stock Exchange and the note thereto from time to time.

9.2 If there has been any alteration in the capital structure of the Company as referred to in sub-paragraph 9.1, the Company shall, upon receipt of a notice from a Grantee in accordance with sub-paragraph 6.3, inform the Grantee of such alteration and

shall either inform the Grantee of the adjustment to be made in accordance with the certificate of the Auditors or the independent financial adviser obtained by the Company for such purpose or, if no such certificate has yet been obtained, inform the Grantee of such fact and instruct the Auditors or an independent financial adviser as soon as practicable thereafter to issue a certificate in that regard in accordance with sub-paragraph 9.1.

9.3 In giving any certificate under this paragraph 9 the Auditors and independent financial adviser shall be deemed to be acting as experts and not as arbitrators and their certificate shall, in the absence of manifest error, be final, conclusive and binding on the Company and all persons who may be affected thereby.

9.4 Set out below are the formulae for calculating the adjustment to the exercise price of outstanding Options for a capitalisation or bonus issue, rights issue or open offer and sub-division or consolidation of Shares.

i. Capitalisation or Bonus Issue and Rights Issue or Open Offer of Shares

New Number of Options = Existing Number of Options x F

New Exercise Price = Existing Exercise Price x 1 F

Where:

$$F = \frac{\text{CUM}}{\text{TEEP}}$$

$$F = \frac{\text{CUM}}{\text{TEEP}}$$

CUM = Closing price as shown in Daily Quotation Sheet of the Stock Exchange on the last trading day before going ex-entitlement to the offer (the cum-rights price)

$$\text{TEEP (Theoretical Ex Entitlement Price)} = \frac{\text{CUM} + \text{M} \times \text{R}}{1 + \text{M}}$$

M = Entitlement per Existing Share

R = Subscription Price

ii. Subdivision or Consolidation of Shares

New Number of Options = Existing Number of Options x F

$$\text{New Exercise Price} = \text{Existing Exercise Price} \times \frac{1}{F}$$

Where F = Subdivision or Consolidation Factor

10. **CANCELLATION OF OPTIONS**

Subject to sub-paragraph 6.6, any Option granted but not exercised may not be cancelled except with the written consent of the relevant Grantee and the prior approval of the Directors. Where the Company cancels Options and makes a new grant to the same Grantee, such new grant may only be made under this Scheme with available unissued Options within the limit approved by Shareholders as set out in sub-paragraphs 8.1(a) to 8.1(d). The Options cancelled will be regarded as utilised for the purpose of calculating the Scheme Mandate Limit and the Service Provider Sublimit.

11. **SHARE CAPITAL**

The exercise of any Option shall be subject to the Shareholders in general meeting approving any necessary increase in the share capital of the Company. Subject thereto, the Directors shall make available sufficient of the then authorised but unissued share capital of the Company to allot the Shares on the exercise of any Option.

12. **DISPUTES**

Any dispute arising in connection with this Scheme (whether as to the number of Shares of an Option, the Subscription Price or any adjustment under sub-paragraph 9.1) shall be referred to the decision of the Auditors or independent financial adviser who shall act as experts and not as arbitrators and whose decision shall, in the absence of manifest error, be final, conclusive and binding on all persons who may be affected thereby.

13. **ALTERATION OF THIS SCHEME**

This Scheme may be altered in any respect by a resolution of the Board except:

- (a) any alteration to the advantage of the Eligible Participants in relation to any matter contained in Rule 23.03 of the GEM Listing Rules;
- (b) any alterations to the terms and conditions of this Scheme which are of a material nature or any change to the terms of Options granted to an Eligible Participant must be approved by the Board, the remuneration committee of the Company (the “**Remuneration Committee**”), the independent non-executive Directors and/or the Shareholders (as the case may be) if the initial grant of the Options was approved by the board, the Remuneration Committee, the independent non-executive Directors and/or the Shareholders (as the case may be),, except where the alterations take effect automatically under the existing terms of this Scheme; and
- (c) any change to the authority of the Directors or the administrator of this Scheme to alter the terms of this Scheme.

which shall only be altered with the approval of Shareholders in general meeting,

provided that no such alteration shall operate to affect adversely the terms of issue of any Option granted or agreed to be granted prior to such alteration except with the consent or sanction of such majority of the Grantees as would be required of the Shareholders under the memorandum of association of the Company and Articles for the time being for a variation of the rights attached to Shares. Any change to the terms of the Option granted to a Grantee must be approved by the Board, the remuneration committee of the Company, the independent non-executive Directors and/or the Shareholders (as the case may be) if the initial grant of the Options was approved by the Board, the remuneration committee of the Company, the independent non-executive Directors and/or the Shareholders (as the case may be), except where the alterations take effect automatically under the existing terms of this Scheme. Any alteration to the terms and conditions of this Scheme shall comply with the relevant requirements of Chapter 23 of the GEM Listing Rules.

14. TERMINATION

- 14.1 The Company by an ordinary resolution in general meeting may at any time terminate the operation of this Scheme and in such event no further Options will be offered but in all other respects the provisions of this Scheme shall remain in force to the extent necessary to give effect to the exercise of any Options granted but not yet exercised prior thereto or otherwise as may be required in accordance with the provisions of this Scheme and Options granted prior to such termination shall continue to be valid and exercisable in accordance with this Scheme.
- 14.2 Details of the Options granted, including Options exercised or outstanding, under the Scheme and (if applicable) Options that become void or non-exercisable as a result of the termination must be disclosed in the circular to the Shareholders seeking approval of the first new share option scheme to be established after such termination.

15. MISCELLANEOUS

- 15.1 This Scheme shall not form part of any contract of employment between the Company and any Eligible Participant who is the employee of the Group and the rights and obligations of any such Eligible Participant under the terms of his office or employment shall not be affected by his participation in this Scheme or any right which he may have to participate in it and this Scheme shall afford such an Eligible Participant no additional rights to compensation or damages in consequence of the termination of such office or employment for any reason.
- 15.2 This Scheme shall not confer on any person any legal or equitable rights (other than those constituting the Options themselves) against the Company directly or indirectly or give rise to any cause of action at law or in equity against the Company.
- 15.3 The Company shall bear the costs of establishing and administering this Scheme, including any costs of the Auditors and the independent financial advisers in relation to the preparation of any certificate by them or providing any other service in relation to this Scheme.

- 15.4 A Grantee shall be entitled to receive copies of all notices and other documents sent by the Company to Shareholders at the same time or within a reasonable time of any such notices or documents being sent to Shareholders.
- 15.5 Any notice or other communication between the Company and a Grantee may be given by sending the same by prepaid post or by personal delivery to, in the case of the Company, its principal place of business in Hong Kong and, in the case of the Grantee, his address in Hong Kong as notified to the Company from time to time or, if none or incorrect or out of date, his last place of employment with the Company or the Company's principal place of business in Hong Kong from time to time.
- 15.6 Any notice or other communication if sent by the Grantee shall be irrevocable and shall not be effective until actually received by the Company.
- 15.7 Any notice or other communication if sent to the Grantee shall be deemed to be given or made:
- (a) one (1) day after the date of posting, if sent by mail;
 - (b) seven (7) days after the date of posting to an address in a different territory;
 - (c) upon completion of transmission if sent by facsimile or other form of electric transmissions; and
 - (d) when delivered, if delivered by hand.
- 15.8 A Grantee shall, before accepting an Offer or exercising his Option, obtain all necessary consents and approvals that may be required to enable him to accept the Offer or to exercise the Option and the Company to allot and issue to him in accordance with the provisions of this Scheme the Shares falling to be allotted and issued upon the exercise of his Option. By accepting an Offer or exercising his Option, the Grantee thereof is deemed to have represented to the Company that he has obtained all such consents and approvals. Compliance with this sub-paragraph shall be a condition precedent to an acceptance of an Offer by a Grantee and an exercise by a Grantee of his Options.
- 15.9 A Grantee shall pay all tax and discharge all other liabilities to which he may become subject as a result of his participation in this Scheme or the exercise of any Option.
- 15.10 By accepting an Offer a Grantee shall be deemed irrevocably to have waived any entitlement, by way of compensation for loss of office or otherwise howsoever to any sum or other benefit to compensate him for loss of any rights under this Scheme.
- 15.11 This Scheme and all Options granted hereunder shall be governed by and construed in accordance with the laws of Hong Kong.
